

# A pair of glasses can change someone's world

is an independent nonprofit providing access to quality vision care and glasses to underserved communities worldwide

**Mission:**  
Eradicate the global vision care crisis in our lifetime

**1.1 Billion People**

do not have access to an eye exam and a pair of glasses

Why Vision

see better

learn better

work better

live better

## Sustainable Solutions

Develop permanent access to vision care

## Charitable Solutions

Provide vision care to underserved communities around the world

**Community Vision Centers**  
Local partnerships within existing health care systems globally

**School-based Vision Centers**  
School partnerships to provide vision care and glasses year-round

**Vision Care Clinics**
